

## Hörner Hochstadt (Pfalz)

The Inspiration Rose wine feinherb vintage cuvée 2024 is a Qualitätswein, which originates from the renowned wine region Palatinate, more precisely from the Southern Wine Route. With an alcohol content of 11,0% vol, an acidity of 6,3 g/l and a pleasant sweetness of 17,1 g/l, this Rose presents a harmonious balance that delights both connoisseurs and beginners.

At first glance, this wine seduces with its intense, bright pink color, reminiscent of the early morning sky of a summer day. The color alone promises a fruity and refreshing taste experience, which is underscored by the fine and elegant structure of this wine.

In the nose, a tempting bouquet of fresh red fruits unfolds. Dominant aromas of juicy raspberries and sweet strawberries are accompanied by a subtle note of currants. These fruit aromas harmonize perfectly with each other and invite you to take the first sip.

On the palate, the fruity aroma continues. The juicy raspberries and strawberries come into their own clearly and intensely, complemented by the fine acidity that gives the wine its freshness. The currant notes provide a slightly tart accent that makes the wine multi-layered and interesting. The off-dry (feinherb) sweetness rounds off the taste experience and gives the wine a pleasant and lingering finish.

This rosé wine is the ideal companion to summer salads, light fish dishes, and fresh seafood. It is also excellent as an aperitif and brings the summer mood directly into the glass.

With the Inspiration Rosé Wine Feinherb vintage cuvée 2024, you enjoy a piece of

Palatinate zest for life and winemaking art. Let yourself be inspired by this outstanding rosé and dive into the fruity world of the Southern Wine Route.
